Civic-Minded Graduate Survey – Service Learning Course
The IUPUI Center for Service and Learning would like to know how this class has influenced your learning and development, and your attitudes towards this class and service learning. Your opinions and feedback are important to us as we work with faculty to design effective courses. This questionnaire will take approximately 10 minutes of your time and your answers will be kept completely confidential.

Section I. Course Information
Instructor’s last name _______________
Course number (Ex.: B104) __________
Section number __________

Section II. Personal Information: Please respond to the following questions starting with number “1” on your test answer sheet.

1. Your age
   A. 18-22
   B. 23-27
   C. 28-32
   D. 32+

2. Gender
   A. Male
   B. Female

3. Current class level
   A. Freshman
   B. Sophomore
   C. Junior
   D. Senior
   E. Grad or non-degree student

4. Enrollment status
   A. Full time in degree program
   B. Part time in degree program
   C. Certificate program
   D. Non-degree student

5. Did you participate in service as part of this class?
   A. Yes
   B. No

6. Did you know there was a service component before you signed up for the course?
   A. Yes
   B. No

7. Was the service required in the course?
   A. Yes
   B. No

8. Estimate the total number of service hours you contributed as part of this class
   A. 0-10 hours
   B. 11-20 hours
   C. 21-30 hours
   D. 31-40 hours
   E. More than 40 hours

SECTION II

Realizing that you have had a variety of experiences at IUPUI, we are interested in the opportunities you may have had to be involved with the community. Please respond to the following questions in relation to activities associated with THIS COURSE.

Please indicate whether you agree or disagree with the following statements by circling the appropriate number.
(1=Strongly Disagree    3=Undecided    5=Strongly Agree)

<table>

<td>1 2 3 4 5</td>
</tr>
</tbody>
</table>

1. I am aware of opportunities to become involved in the community.
2. Other students who know me well would describe me as a person who can discuss controversial social issues with civility and respect.
3. I would be willing to write a letter to the newspaper or community leaders about a community issue.

4. I will use the knowledge and professional skills that I develop to help address community issues.

5. I am a good listener, even when peoples’ opinions differ from mine.

6. Most other students know less about community organizations and volunteer opportunities than I do.

7. It is important for me to vote and be politically involved.

8. I am confident that I can contribute to improving life in my community.

9. I believe that my community is enriched by having some cultural or ethnic diversity.

10. When members of my group disagree on how to solve a problem, I like to try to build consensus.

11. I am aware of a number of community issues that need to be addressed.

12. I plan to participate in advocacy or political action groups after I graduate.

13. I am very familiar with clubs and organizations that encourage and support community involvement for college students.

14. I like to be involved in addressing community issues.

15. I believe that having an impact on community problems is within my reach.

16. I plan to stay current with the local and national news after I graduate.

17. I have planned or helped implement an initiative that improves the community.

18. I prefer to work in settings in which I interact with people who are very different from me.

19. I feel a deep conviction in my career goals to achieve purposes that are beyond my own self-interest.

20. I am able to respond to others with empathy,
regardless of their backgrounds.

21. I intend to be involved in volunteer service after I graduate.

22. I stay up to date on the current political issues in the community.

23. Social problems are not too complex for me to help solve.

24. I have a responsibility to use the knowledge that I have gained to serve others.

25. I am able to listen to others and understand their perspective on controversial issues.

26. I would say that the main purposes of work are to improve society through my career.

27. I want to dedicate my career to improving society.

28. I feel confident that I will be able to apply what I have learned in my classes to solve real problems in society.

29. When discussing controversial social issues, I have often been able to persuade others to agree with my point of view.

30. My sense of who I am includes a sincere desire to be of service to others.

Thank you for completing this survey.
